

Anatoly Arutunoff (Tulsa, Oklahoma area) is in serious condition after being airlifted to Oklahoma University Medical Center. Toly, as he is known to many, was on his way to a car show in Las Vegas when struck in a hit and run accident in Amarillo, Texas while trying to assist a driver stuck in the snow. One leg was amputated, the other broken in several places.

Toly was the founder of Hallet Motor Speedway and raced some of the most uniquely modified cars ever, including an Alfa Romeo Sprint Speciale.

If you want to send well wishes and support, send a Patient E-Card through the OU Medical Center website. Include your name, Anatoly Arutunoff, and room number 318. The OU Medical Center Patient E-card web site is at:
